| Duration: February 2018 – January 2021 (36 months) | Grant ID: |
| Call: JPI Cultural Heritage | |

**Summary:**
Europe has the world's richest book tradition and there is a vast amount of historical information about what people read that is currently unavailable to the public. Funded by the Joint Programme Initiative for Cultural Heritage, READ-IT is a 3 year project that will aim to use digital technologies and tools to bring this huge "hidden history" to the public.
